CONTINUATION OF CONSIDERATION OF EXTENSION: MARCO HEIGHTS 2

11:02:44 AM

Members present:

Chairman Gary D. Hall

Commissioner Joseph D. Brenneman

Commissioner Dale W. Lauman

Others present:

Assistant Mike Pence, Planning & Zoning Director Jeff Harris, Planner Allison Mouch, Deputy County Attorney Jonathan Smith, Deputy County Attorney Peter Steele, Assistance Deputy County Attorney Tara Fugina, Marc Leichti, Jacob Doran, Clerk Kile

Mouch reviewed the extension request for Marco Heights 2, condition 21 in regards to access onto Hwy 93 with the request not being compliant with the subdivision regulations and the growth policy.

Chairman Hall noted the request before them today is for a one month extension with a possible solution of bringing the access onto the Highway from lot 1 off of Deer Creek Road.

There was general discussion regarding different options and which would require an easement and or a variance granted with appropriate findings.

Commissioner Brenneman stated that many of the conditions qualify a variance regarding the access.

Commissioner Lauman suggested making a request to the MDOT regarding a speed study and no pass zone.

Commissioner Hall agreed asking Commissioner Lauman to make that request as soon as possible since the property discussed is in his district.

Commissioner Lauman made a **motion** to grant an extension for Marco Heights 2 to January 31, 2009. Commissioner Brenneman **seconded** the motion. **Aye -** Hall, Brenneman and Lauman. Motion carried unanimously.

Commissioner Brenneman commented that the purpose of this access issue is to provide public safety. He then expressed his concerns regarding people accessing a high speed highway versus accessing Deer Creek Road with less sight distance. There was continued discussion regarding this matter.
